

Day 1

Wed. May 18

Opening Ceremony

Room 1 — Large Hall 10:00-11:00

Moderator : Chiaki Kawanishi

(Professor, Department of Neuropsychiatry, Sapporo Medical University Graduate School of Medicine)

1. Yukio Saito (Chair, Japanese Association for Suicide Prevention)
2. Ella Arensman (President, International Association for Suicide Prevention)
3. Ministry of Health
4. Teruhiko Higuchi (Honorary President of National Center of Neurology and Psychiatry, President of Japan Depression Center)
5. Hiroko Minami (President, University of Kochi)

PS1 : Plenary Session 1

Room 1 — Large Hall 11:00-12:30

The past, present and future of suicide prevention

Chair : Ella Arensman

(International Association for Suicide Prevention, National Suicide Research Foundation, University College Cork)

Yoshinori Cho

(Department of Psychiatry, Teikyo University Mizonokuchi Hospital)

PS1-1

Current Status of Suicide Prevention Internationally

Ella Arensman

(International Association for Suicide Prevention, National Suicide Research Foundation, University College Cork)

PS1-2

Japan's suicide prevention: Achievements and Challenges

Tadashi Takeshima

(Department of Health and Social welfare for the Disabled, Health and Welfare Bureau, Kawasaki City)

PS1-3

The past, present and future of suicide prevention in Korea

Jin Pyo Hong

(Korean Suicide Prevention Center, Samsung Medical Center, Sungkyukwan University)

PS1-4

Suicide prevention in Taiwan over the Past Ten Years

Ming-Been Lee

(Division of Psychosomatic Medicine, Department of Psychiatry, National Taiwan University Hospital¹⁾, Taiwanese Society of Suicidology²⁾)

LS1 : Luncheon Seminar 1

Room 1 — Large Hall 12:40-13:30

Co-Sponsor : Mitsubishi Tanabe Pharma Corporation
Yoshitomiyakuhin Corporation

Chair : Kazuhiro Yoshiuchi

(Department of Stress Sciences and Psychosomatic Medicine, Graduate School of Medicine, The University of Tokyo)

LS1

Psychological trauma and suicide

Yoshiharu Kim

(Division of Adult Mental Health, National Center of Neurology and Psychiatry)

WS1 : Workshop 1

Room 1 — Large Hall 14:00-15:30

Community-based suicide prevention: theory and practice

Chair : Ulrich Hegerl

(University of Leipzig, Department of Psychiatry and Psychotherapy)

WS1-1

Effects of community-based prevention interventions on suicide rates among general population in Japan: a focus on depression screening interventions for elderly people in rural areas with high suicide rates

Hirofumi Oyama

(Aomori University of Health and Welfare)

WS1-2

Community-based suicide prevention: theory and practice

Yutaka Ono

(Center for the Development of Cognitive Behavior Therapy Training)

WS1-3

Practice in Europe

Ulrich Hegerl

(University of Leipzig, Department of Psychiatry and Psychotherapy)

PS2 : Plenary Session 2

Room 1 — Large Hall 16:00-18:00

Policy and strategy for suicide prevention

Chair : Lars Mehlum

(National Centre for Suicide Research and Prevention, University of Oslo)

PS2-1

Policy Making for Suicide Prevention

Lars Mehlum

(National Centre for Suicide Research and Prevention, University of Oslo)

PS2-2

Suicide Prevention Strategy and Policy in New Zealand: 2016 Country Snapshot

Annette Beautrais

(University of Canterbury)

PS2-3

Suicide prevention for suicide attempters: outcomes of the ACTION-J and the process to make it a suicide prevention policy

Chiaki Kawanishi

(Department of Neuropsychiatry, Sapporo Medical University Graduate School of Medicine)

PS2-4

School based suicide prevention: what is the evidence?

Vladimir Carli

(National Centre for Suicide Research and Prevention (NASP) at Karolinska Institutet)

SY1 : Symposium 1

Room 2 — Mid-Sized Meeting Room I-AB 14:00-15:30

The management system of suicide high-risk group in Korea

Organizer : Sang-Uk Lee

(Faculty of Health & Medicine, University of Lancaster)

Chair : Jong-Ik Park

(Kangwon National University School of Medicine)

SY1-1

National policy and strategy of suicide prevention in South Korea

Jong-Ik Park

(Kangwon National University School of Medicine)

SY1-2

Development and Evaluation of a Community-based Suicide prevention program for Suicide attempter

Soojung Lee

(Yonsei University College of Nursing)

SY1-3

Suicide attempter management system and status in Korea

Sang-Uk Lee

(Department of Mental Health Research, Seoul National Hospital, Department of Preventive Medicine, School of Medicine, Kyung Hee University¹⁾,
Department of Preventive Medicine, School of Medicine, Kyung Hee University²⁾)

SY1-4

The management and support systems for suicide high-risk group in South Korea and Japan

Eunhye Oh
(Waseda University)

SY2 : Symposium 2

Room 4 — Small Hall 14:00-15:30

The Zero Suicide in Healthcare Initiative: An International Declaration and Social Movement

Organizer : David Covington
(RI International & Behavioral Health Link)

Chair : David Covington
(RI International & Behavioral Health Link)

Jan Mokkenstorm
(GGZinGeest & 113Online)

SY2-1

Survey of 30,000 Mental Health Workers Related to Suicide Training, Skills and Supports

David Covington
(RI International & Behavioral Health Link)

SY2-2

Zero suicide: an international declaration for better healthcare

Gerdien Franx
(GGZinGeest & 113Online)

SY2-3

The part played by SOS Suicide association in suicide prevention in French Polynesia

Stéphane Amadeo
(SOS Suicide Association)

SY2-4

A RETROSPECTIVE REVIEW OF 100 SUICIDES IN PHOENIX, ARIZONA 2009-2012

Shareh Ghani
(Magellan Health (California Business) and Pakistan Psychiatric Society)

SY2-5

Using Electronic Health Records to improve the identification of individuals at risk for suicide in community health care settings

Virna Little
(Psychosocial Services at the Institute for Family Health)

PS3 : Plenary Session 3

Room 4 — Small Hall 16:00-18:00

Restriction of access to lethal means

Chair : Paul Yip

(The University of Hong Kong)

PS3-1

Restricting Access to Barbecue Charcoal for Suicide Prevention in Taiwan

Ying-Yeh Chen

(Taipei City Psychiatric Center, Taipei City Hospital and National Yang-Ming University)

PS3-2

Restriction of access to lethal means

Hong Jin Jeon

(Samsung Medical Center, Sungkyunkwan University School of Medicine)

PS3-3

The current state about methods of suicide and consideration for the future investigation items in Japan

Ken Inoue

(Department of Public Health, Gunma University Graduate School of Medicine)

PS3-4

Suicide in the 27 WHO member states in the Western Pacific Region: 2000-2012

Michael Phillips

(Shanghai Mental Health Center, Shanghai Jiao Tong University School of Medicine)

O1 : Oral 1

Room 3 — Mid-Sized Meeting Room I-C 14:00-15:00

Bereavement

Chair : Kiyoko Fukushima

(Japan Lutheran College)

O1-1

How do adolescents experience the suicide of a relative or a friend?

Karl Andriessen

(School of Psychiatry, University of New South Wales, Black Dog Institute)

O1-2

Importance of social interactions and support in suicide bereavement

Vita Postuvan

(Slovene Centre for Suicide Research, Andrej Marusic Institute, University of Primorska)

O1-3

Bereavement of suicide and sudden death six months after death

Kolves Kairi

(Australian Institute for Suicide Research and Prevention, WHO Collaborating Centre for Research and Training in Suicide Prevention, Griffith University)

O1-4

Suicide Postvention: Support for Pacific Communities

Jemaima Tiatia-Seath

(Pacific Health, School of Population Health, The University of Auckland)

O2 : Oral 2

Room 3 — Mid-Sized Meeting Room I-C 15:00-15:45

School

Chair : Yu Sakagami

(Kyoto University, The International Center)

O2-1

Dealing with the Challenge of Suicide Prevention and Postvention: The University of the Philippines Experience

Violeta Bautista

(University of the Philippines Diliman-Office of Counseling and Guidance, Life Change Recovery Center)

O2-2

SMART Schools

Daniel Reidenberg

(Suicide Awareness Voices of Education)

O2-3

The effectiveness of a web-based and school-based universal mental health programme for primary school students in Hong Kong

Mabel Nga-Sum Cheng

(The University of Hong Kong)

P1 : Poster 1

Poster Exhibition — Mid-Sized Meeting Room II -ABC 15:30 - 16:00

Biology

P1-1

NON FATAL SUICIDAL SELF DIRECTED VIOLENCE ACROSS THE TIME LINE — A STUDY OF 680 CASES

Akanksha Sonal

(King George Medical University, Lucknow, Uttar Pradesh)

Community intervention

P1-2

The thing a gatekeeper did actually for a suicidal ideation person

Naruto Goto

(Oita University of Nursing and Health Sciences)

P1-3

Prevalence of subjective need of help for mental health problems among civil servants 3 years after a natural disaster

Shintaro Tanaka

(Department of Psychiatry and Behavioral Science, Tokyo Metropolitan Institute of Medical Science¹⁾,
Department of Youth Mental Health, Graduate School of Medicine, the University of Tokyo²⁾)

P1-4

Community intervention for depression and suicide prevention to elderly residents in a rural area in Kumamoto prefecture, Japan

Noboru Fujise

(Department of Neuropsychiatry, Faculty of Life Sciences, Kumamoto University)

P1-5

Strategic Plan for Suicide Prevention:

Angela Beatriz Martínez González

(World Suicidology Net Mexico)

Crisis intervention

P1-6

Successful intervention in online suicide gatekeeping

Hajime Sueki

(Wako University)

Cultural Aspects

P1-7

Cross-national differences in hypochondriasis symptoms between Korean and American outpatients with major depressive disorder

Kyung-Ah Chang

(Department of Psychiatry, Depression Center, Samsung Medical Center, Sungkyunkwan University School of Medicine)

P1-8

Suicide in Kabuki Plays

Karolina Krysinska

(School of Psychiatry, University of New South Wales)

P1-9

Cultures place in suicide prevention for New Zealand born (NZ-born) Cook Islands youth

Eliza Puna

(The University of Auckland)

Elderly Generation

P1-10

Karo jisatsu (suicide from overwork) from a Japanese socio-cultural viewpoint

Koju Inoue

(Department of Psychiatry, Jichi Medical University)

P1-11

The Relationship Between Social Participation and Psychological Distress Among Community-Dwelling Elderly Adults

Koji Fujita

(Department of Public Health and Health Policy, Institute of Biomedical and Health Science, Hiroshima University)

P1-12

Epidemiology of suicide among the elderly in Thailand

Orpin Yodkang

(Khon Kaen Rajanagarindra Psychiatric Hospital)

P1-13

Suicide among the elderly in the WHO Western Pacific Region

Fei Deng

(Shanghai Mental Health Center, Shanghai Jiaotong University)

Help line

P1-14

Investigating How Crisis Helpline Service Construct Suicide Prevention Community Network with Internet Tool: Taiwan LifeLine Practical Experience

Yuchia Chen

(National Tainan Junior College of Nursing)

P1-15

Information on the epidemiology and prevention of suicide at Khon Kaen Rajanagarindra Psychiatric Hospital

Somphawan Pharkphoom

(Khon Kaen Rajanagarindra Psychiatric Hospital)

High-risk Group

P1-16

A descriptive analysis of suicide incidence in selected areas in Shaanxi, China

Xin Qi

(School of Public Health, Xi'an Jiaotong University Health Science Center)

P1-17

A comparison of the characteristics of suicide attempters between mood disorder and schizophrenia: a cross-sectional study

Kohei Harada

(Department of Psychiatry, Faculty of Medicine, Fukuoka University)

P1-18

Psychological and social risk factors for suicidal ideation and attempts among men who inject opioids in Delhi, India

Gregory Armstrong

(Centre for Mental Health, University of Melbourne)

P1-19

Predictors of short-term repetition of suicide attempts among patients who visited an emergency room for suicidal behaviors: retrospective one-year cohort study

Yoko Kawahara

(Department of Neuropsychiatry, Keio University School of Medicine)

P1-20

Suicide attempt by gender identity disorder patient with psychotic symptoms

Yudai Emoto

(Department of Psychiatry Sapporo Medical University)

Intervention

P1-21

Evaluating the gatekeeper training program for community pharmacists in Japan: focus on prescription drug overdose

Takuya Shimane

(Department of Drug Dependence Research, National Center of Neurology and Psychiatry)

High-risk Group

P1-22

Suicide Attempts by Pregnant and Postpartum Women with Mental Illness

Yoko Honda

(Department of Psychiatry, School of Medicine, Fukuoka University)

P1-23

Characteristics of serious suicide attempters diagnosed as Neurotic, stress-related and somatoform disorders (ICD-10, F4)

Nobuaki Eto

(Fukuoka University Hospital Department of Psychiatry)

P1-24

Fukushima, mental health and suicide

Akiko Yagi

(Radiation Medical Science Center for the Fukushima Health Management Survey, Fukushima Medical University)

P1-25

Rorschach Characteristics of Patients with Major Depression Who Exhibited Suicide-Related Behavior after Initiation of Outpatient Psychiatric Treatment: Focus on the Suicide-Constellation of the Rorschach Comprehensive System

Yasuhiro Mizuno

(Department of Psychiatry, Teikyo University Mizonokuchi Hospital)

P1-26

Game addiction and depression: A nationwide community sample of Korean adults

Dong Jun Kim

(Department of Psychiatry, Depression Center, Samsung Medical Center, Sungkyunkwan University School of Medicine¹⁾,
Clinical Research Design & Evaluation, and Samsung Biomedical Research Institute (SAIHST), Sungkyunkwan University²⁾)

P1-27

Impact of disability status on suicide risks in South Korea

Sanguk Lee

(Department of Mental Health Research, Seoul National Hospital¹⁾,
Department of Preventive Medicine, School of Medicine, Kyung Hee University²⁾)

P1-28

Poor sleep quality and suicide attempt among adults with internet addiction: A nationwide community sample of Korea

KiWon Kim

(Department of Psychiatry, Depression Center, Samsung Medical Center, Sungkyunkwan University School of Medicine)

P1-29

Anxiety symptoms are linked to new-onset suicidal ideation after six months of follow-up in outpatients with major depressive disorder

Ji Hyun Baek

(Department of Psychiatry, Depression Center, Samsung Medical Center, Sungkyunkwan University School of Medicine¹⁾,
Bipolar Clinic and Research Program, Massachusetts General Hospital, Harvard Medical School²⁾)
