

Day 2

Thurs. May 19

PS4 : Plenary Session 4

Room 1 — Large Hall 8:30-10:30

Role of religion in suicide prevention

Chair : Yoshinori Cho

(Department of Psychiatry, Teikyo University Mizonokuchi Hospital)

Takaaki David Ito

(Graduate School of Applied Religious Studies Sophia University)

PS4-1

Suicide Prevention in Japan: Does religion help to prevent suicide?

Susumu Shimazono

(Sophia University)

Norichika Horie

(University of Tokyo)

PS4-2

Role of Religion in Suicide Prevention: Suicide prevention activities in Japan: From a Christian perspective

Takaaki David Ito

(Graduate School of Applied Religious Studies Sophia University)

PS4-3

Comparison of Suicidal Thoughts and Related Variables among Religious Groups in Korea

Sooin Lee

(Hallym University, Institute of Life and Death Studies)

PS4-4

Suicide and Religion in India

Lakshmi Vijayakumar

(SNEHA, Chennai, Voluntary Health Services)

JSJPCA : Joint symposium with Japan Primary Care Association

Room 1 — Large Hall 10:30-12:30

Suicide prevention in primary care

Chair : Kazuhiro Yoshiuchi

(Department of Stress Sciences and Psychosomatic Medicine, The University of Tokyo)

Michiko Moriyama

(Hiroshima University)

JSJPCA-1

Current status of suicide prevention in primary care settings of Japan: Roles and challenges

Keiichiro Sakato

(Kensei Hospital)

JSJPCA-2

The introduction and active use of mhGAP Intervention Guide for mental neurological and substance use disorders in non-specialized health setting in Japanese version

Hiroki Ozawa

(Department of Neuropsychiatry, Unit of Translation Medicine, Nagasaki University Graduate School of Biomedical Sciences)

JSJPCA-3

Near future of primary care in Japan - its role in suicide prevention

Daisuke Son

(International Research Center for Medical Education, Graduate School of Medicine, the University of Tokyo)

JSJPCA-4

Current Status of Primary Care in Korea

Hong Jin Jeon

(Department of Psychiatry, Depression Center, Samsung Medical Center, Sungkyunkwan University School of Medicine)

LS2 : Luncheon Seminar 2

Room 1 – Large Hall 12:40-13:30

Co-sponsor : Eisai Co., Ltd.

Suicide and Dementia – Especially on dementia with Lewy bodies

Chair : Toshinari Odawara

(Health Management Center, Yokohama City University)

LS2

Kenji Kosaka

(Yokohama City University)

WS2 : Workshop 2

Room 1 – Large Hall 14:00-16:00

Policy and strategy in Asia Pacific region

Chair : Lakshmi Vijayakumar

(SNEHA, Voluntary Health Services)

Yasushi Ishida

(Division of Psychiatry, Department of Clinical Neuroscience, Faculty of Medicine, University of Miyazaki)

WS2-1

The Management and Registration System for Suicide Attempters in South Korea

Jong-ik Park

(Kangwon National University School of Medicine)

WS2-2

Policy and strategy for suicide prevention in Taiwan: The role of the Taiwan Suicide Prevention Center (TSPC)

Shih-Cheng Liao

(Department of Psychiatry, National Taiwan University College of Medicine, Taiwan Suicide Prevention Center, Taiwanese Society of Suicidology)

WS2-3

Suicide Prevention in Malaysia

Maniam Thambu

(National University of Malaysia CUKM)

SY7 : Symposium 7

Room 1 – Large Hall 16:30-18:00

Suicide and Emergency Medicine: Challenges for the future

Organizer : Mitsuhiro Yamada

(National Institute of Mental Health, National Center of Neurology and Psychiatry)

Chair : Paul Yip

(The University of Hong Kong)

Mitsuhiro Yamada

(National Institute of Mental Health, National Center of Neurology and Psychiatry)

SY7-1

Brief overview: Suicide and Emergency Medicine -Challenges for the future-

Mitsuhiro Yamada

(National Institute of Mental Health, National Center of Neurology and Psychiatry)

SY7-2

A study of suicide attempts and deliberate self-harm among patients presenting to an emergency department in Hong Kong

Paul Yip

(The University of Hong Kong)

SY7-3

Psychiatric disorders in suicide attempters admitted to emergency department in Japan: a systematic review and meta-analysis

Yoshitaka Kawashima

(Department of Neuropsychopharmacology, National Institute of Mental Health, National Center of Neurology and Psychiatry)

SY7-4

Hospital management of suicidal behaviour and subsequent outcome: what can cohort studies tell us?

Navneet Kapur

(The University of Manchester)

SY7-5

Effective interventions for suicide attempters after discharge from emergency unit: a meta-analysis of randomized controlled trials

Masatoshi Inagaki
(Okayama University Hospital)

SY7-6

The IASP Special Interest Group (SIG) on Suicide and Emergency Medicine: Challenges for the Future

Annette Beautrais
(University of Canterbury)

PS5 : Plenary Session 5

Room 2 — Mid-Sized Meeting Room I-AB 9:00-10:30

Intervention for self-harm/suicide attempt

Chair : Mitsuhiro Yamada

(Department of Neuropsychopharmacology National Institute of Mental Health, National Center of Neurology and Psychiatry)

PS5-1

Psychosocial risks and protective factors for suicide attempters in emergency department and community - Intervention for self-harm/suicide attempt

Vita Poštuvan
(University of Primorska)

PS5-2

How can we best treat suicidal behaviour? A perspective from the UK

Navneet Kapur
(Centre for Suicide Prevention, Centre for Mental Health and Safety, University of Manchester)

PS5-3

Interventions for Self-harm and Suicide Attempt: A Potential Agenda for the IASP Special Interest Group (SIG) on Suicide and Emergency Medicine

Annette Beautrais
(University Of Canterbury)

PS5-4

Systematic review on interventions to prevent repeat suicidal behavior in patients admitted to an emergency department

Masatoshi Inagaki
(Department of Neuropsychiatry, Okayama University Hospital)

SY3 : Symposium 3

Room 2 — Mid-Sized Meeting Room I-AB 10:30-12:00

Suicide Prevention in Older Adults: Part 1

Organizer : Sylvie Lapierre

(Université du Québec à Trois-Rivières (Department of Psychology))

Chair : Annette Erlangsen

(Mental Health Center Copenhagen)

Gary Cheung

(University of Auckland)

SY3-1

Preventing suicidal ideations in older adults by enhancing meaning in life

Sylvie Lapierre

(Université du Québec à Trois-Rivières)

SY3-2

Possible approaches for suicide prevention in rural China

Shulin Chen

(Zhejiang University Department of Psychology, Tonglu County Department of Health¹⁾, Tonglu County Department of Health²⁾)

SY3-3

Complexity and late-life suicide in a super ageing society

Shuichi Awata

(Tokyo Metropolitan Institute of Gerontology)

SY3-4

Further necessity of suicide prevention in the world and Japan Including discussion based on viewpoints of the local areas in several countries

Ken Inoue

(Gunma University Graduate School of Medicine)

SY3-5

Ageism and the request for assisted-suicide in older adults

Sylvie Lapierre

(Université du Québec à Trois-Rivières)

LS3 : Luncheon Seminar 3

Room 2 — Mid-Sized Meeting Room I-AB 12:40-13:30

Co-sponsor : Pfizer.Japan.Inc

Biological Aspects of Suicide

Chair : Jun Ishigouka
(Institute of CNS Pharmacology)

LS3

Osamu Shirakawa
(Department of Neuropsychiatry, Kindai University Faculty of Medicine)

SY5 : Symposium 5

Room 2 — Mid-Sized Meeting Room I-AB 14:00-15:30

Suicide Prevention in Older Adults: Part 2

Organizer : Sylvie Lapierre
(Université du Québec à Trois-Rivières (Department of Psychology))

Chair : Annette Erlangsen
(Mental Health Center Copenhagen)

Gary Cheung
(University of Auckland)

SY5-1

Suicide rates in five-year age-bands after the age of 60 years: the international landscape

Annette Erlangsen
(Research Unit, Mental Health Centre Copenhagen)

SY5-2

Death wishes among older New Zealanders assessed for home support and residential care

Gary Cheung
(University of Auckland)

SY5-3

Cognitive deficits and decision processes in late-life suicide

Katalin Szanto
(University of Pittsburgh)

SY5-4

The relationship between suicide and medical illness in the elderly in Korea

Jin Pyo Hong
(Samsung Medical Center)

SY5-5

Self-harm and Dementia

Brian Draper
(Prince of Wales Hospital¹, Randwick, Dementia Collaborative Research Centre, University of New South Wales²)

SY8 : Symposium 8

Room 2 — Mid-Sized Meeting Room I-AB 16:30-18:00

Preventing Lesbian, Gay, Bisexual, Trans (LGBT) Youth Suicide

Organizer & Chair : Elizabeth McDermott
(Faculty of Health & Medicine, University of Lancaster)

SY8-1

Help-seeking and Preventing LGBT Youth Suicide

Elizabeth McDermott
(Faculty of Health & Medicine, University of Lancaster)

SY8-2

Preventing suicide in LGB youth at school: A Canadian example

Yuko Homma
(Mukogawa Women's University School of Nursing, Stigma and Resilience Among Vulnerable Youth Centre, University of British Columbia School of Nursing¹,
Stigma and Resilience Among Vulnerable Youth Centre, University of British Columbia School of Nursing²)

SY8-3

Reducing suicide risk through improving the mental health and wellbeing of LGBTI young people at school in Australia

Matthew Parsons
(La Trobe University)

SY8-4

Perspectives of Same-Sex Sexualities and Self-Harm Among Service Providers and Teachers in Hong Kong

Denise Tse-Shang Tang
(University of Hong Kong)

SY4 : Symposium 4

Room 4 — Small Hall 10:30-12:00

Suicidal behavior in children and adolescents in Asian countries

Organizer : Masaru Tateno
(Tokiwa Child Development Center, Tokiwa Hospital / Department of Neuropsychiatry, Sapporo Medical University, School of Medicine)

Chair : Masaru Tateno
(Tokiwa Child Development Center, Tokiwa Hospital / Department of Neuropsychiatry, Sapporo Medical University, School of Medicine)

Takuya Saito
(Department of Child and Adolescent Psychiatry, Hokkaido University)

SY4-1

Increased use of lethal methods and annual increase of suicide rates in Korean adolescents: comparison with adolescents in the United States

Bung Nyun Kim

(Seoul National University Hospital)

SY4-2

A puzzle sketch of suicide behavior in Indonesia among children and adolescents

Tjhin Wiguna

(Child and Adolescent Psychiatry Division, Department of Psychiatry, Cipto Mangunkusumo General Hospital, Faculty of Medicine, University of Indonesia)

SY4-3

Suicidal behavior in children and adolescents in Thailand

Suporn Apinuntavech

(Division of Child and Adolescent Psychiatry, Department of Psychiatry, Faculty of Medicine Siriraj Hospital, Mahidol University)

SY4-4

Suicide in the young - Singapore perspective

Hsin Chuan Alex Su

(Institute of Mental Health)

SY4-5

Trends in suicide among child and adolescent in Japan – from a retrospective study of precipitating factors for suicide attempts at a critical emergency unit in Japan

Takuya Saito

(Hokkaido University)

LU : IASP Lunch with Experts

Room 4 – Small Hall 12:30-14:00

Restricting Access to the Means of Suicide – Pesticide

Chair : Morton Silverman

(International Association for Suicide Prevention, The University of Colorado Denver)

LU1

China – Methodological issues in conducting pesticide lockbox studies

Michael Phillips

(Shanghai Mental Health Center)

LU2

India – Community intervention to reduce pesticide suicide

Lakshmi Vijayakumar

(SNEHA, Voluntary Health Services)

LU3

Sri Lanka – Overview of secure storage of pesticide studies

Vanda Scott

(Oxford Mindfulness Centre)

LU4

Partnership with industry – Introduction of community based interventions in Indonesia and Philippines

Peter Loke

(National University of Singapore)

SY6 : Symposium 6

Room 4 – Small Hall 14:00-15:30

Current situation and future direction of suicide survivor support

Organizer : Daisuke Kawashima

(Chukyo University)

Chair : Keisuke Shiraga

(Joetsu University of Education)

SY6-1

Co-facilitating suicide bereavement support groups

Beverly Feigelman

(Adelphi University School of Social Work¹),

Center for Suicide Prevention, National Institute of Mental Health, National Center of Neurology and Psychiatry²)

SY6-2

Postvention in Japan

Daisuke Kawashima

(School of Psychology, Chukyo University, Center for Suicide Prevention, National Institute of Mental Health, National Center of Neurology and Psychiatry)

SY6-3

Comparing facilitator priorities of suicide survivor support groups: A cross-cultural comparison between Japanese and American groups

William Feigelman

(Nassau Community College)

SY6-4

Social stigma among suicide survivors: Reports from cross-cultural comparison study

Shizuka Kawamoto

(Center for Suicide prevention, National Institute of Mental Health, National Center of Neurology and Psychiatry)

SY9 : Symposium 9

Room 4 — Small Hall 16:30-18:00

Pacific peoples and suicide: Altering the conversations

Organizer & Chair : Jemaima Tiatia-Seath
(The University of Auckland)

SY9-1

Traversing sacred spaces of connect: Samoan and Tongan youth suicide in New Zealand

Jemaima Tiatia-Seath
(The University of Auckland)

SY9-2

The Cook Islands born experience toward positive mental wellbeing and suicide prevention

Eliza Puna
(The University of Auckland)

SY9-3

Pacific peoples and suicide: Altering the conversations Paper Title: Cultural Influences on Hope, Help, and Healing in Native Hawaiian Youth Suicide

Deborah Goebert
(University of Hawaii, John A. Burns School of Medicine Department of Psychiatry)

SY9-4

Why aren't old people killing themselves: Exploring the generation gap and the stark realities of youth suicide in Guam and Micronesia

Kirk Johnson
(University of Guam)

SY9-5

'FLO Pasifika for Life': New Zealand's first national Pacific suicide prevention programme

Monique Faleafa
(Le Va)

O3 : Oral 3

Room 3 — Mid-Sized Meeting Room I-C 10:30-11:15

Community intervention

Chair : Trine Madsen
(Copenhagen Mental Health Center)

O3-1

The impact of strategic multidisciplinary collaboration for a community-based suicide prevention project: A case in Hong Kong

Yik-wa, Frances LAW
(Department of Social Work and Social Administration, The University of Hong Kong¹,
Centre for Suicide Research and Prevention, The University of Hong Kong²)

O3-2

Developing a systems approach to suicide prevention in NSW, Australia

Michelle Torok

(Black Dog Institute, University of NSW)

O3-3

Building a National Council for Suicide Prevention: Lessons Learned

Daniel Reidenberg

(National Council for Suicide Prevention)

O4 : Oral 4

Room 3 — Mid-Sized Meeting Room I-C 11:30-12:30

Youth Generation

Chair : Nobuaki Eto

(Fukuoka University Hospital)

O4-1

Suicide methods in children and adolescents worldwide

Kairi Kolves

(Australian Institute for Suicide Research and Prevention, WHO Collaborating Centre for Research and Training in Suicide Prevention, Griffith University)

O4-2

Prolonged parental absence and suicidal behaviours among adolescents of migrant workers in Western China

Frances Yik Wa Law

(University of Hong Kong)

O4-3

Risk of repeated self-harm and associated factors in children, adolescents and young adults

Marco Bennardi

(National Suicide Research Foundation, University College Cork)

O4-4

Chinese adolescent's mental health and suicidal behaviour in the context of labour migration: impacts of different caregiving arrangement

Yao Fu

(University of Hong Kong)

O5 : Oral 5

Room 3 — Mid-Sized Meeting Room I-C 14:00-14:45

Help line

Chair : Morton Silverman
(University of Colorado at Denver)

O5-1

The Future Challenges of Taiwan Life Line

Yuchia Chen
(Tainan Junior College of Nursing¹, Taiwan Lifeline International²)

O5-2

Characteristics of episodes of deliberate self-harm reported by hotline callers in China

Yongsheng Tong
(Beijing Suicide Research and Prevention Center, Beijing Hui Long Guan Hospital)

O5-3

Systematic meta-synthesis of the effectiveness and impact of Samaritans' Listener scheme, on prisoners, Listeners and the prison environment.

Elizabeth Scowcroft
(Nottingham Trent University¹, Samaritans²)

O6 : Oral 6

Room 3 — Mid-Sized Meeting Room I-C 15:00-15:45

Media

Chair : Jane Pirkis
(University of Melbourne)

O6-1

Safe Reporting of Suicide

Daniel Reidenberg
(Suicide Awareness Voices of Education)

O6-2

A systematic review of studies on the Internet and suicide

Karolina Kryszynska
(School of Psychiatry, University of New South Wales)

Community intervention

Chair : Jane Pirkis
(University of Melbourne)

O6-3

Helping Organisations- individuals, relatives, community, society

Karoly Oriold

(Home inside of soul foundation)

O7 : Oral 7

Room 3 — Mid-Sized Meeting Room I-C 16:30-18:00

High-risk Group

Chair : Naohiro Yonemoto

(National center of Neurology and Psychiatry)

O7-1

Psychotic experiences as risk factors for suicidal behavior: evidence from a series of survey studies in the United States

Jordan DeVlyder

(School of Social Work, University of Maryland)

O7-2

The ibobbly app for Indigenous Youth Suicide Prevention in Australia - RCT Results

Joseph Tighe

(Black Dog Insititute¹, Men's Outreach Service²)

O7-3

GPs' views and perspectives on patient non-adherence to treatment in primary care prior to suicide

Pooja Saini

(University of Liverpool)

O7-4

Trajectories of suicidal ideation in patients with first episode psychosis - The OPUS trial

Trine Madsen

(Copenhagen Mental Health Center)

O7-5

Suicide Risk Assessment and Suicide Risk Formulation: Moving from Prediction to Prevention

Morton Silverman

(International Association for Suicide Prevention)

O7-6

Testing a stressor and illness model for the severity of suicidal ideation

Yi Zhang

(The University of Hong Kong)

O8 : Oral 8

Room 3 — Mid-Sized Meeting Room I-C 18:00-18:45

Cultural Aspects

Chair : Manami Kodaka

(National Institute of Mental Health, National Center of Neurology and Psychiatry)

O8-1

Linguistic reflections of suicide risk and negative affectivity on Chinese social media

Qijin Cheng

(The University of Hong Kong)

O8-2

Holiday variation of self-harm: Is “broken-promise effect” applicable among a Chinese population in Hong Kong?

Chi Leung Kwok

(Centre for Suicide Research and Prevention, the University of Hong Kong)

O8-3

Attempted suicide in Sri Lanka — Does context matter?

Duleeka Knipe

(School of Social and Community Medicine, University of Bristol¹,
South Asian Clinical Toxicology Research Collaboration (SACTRC), Faculty of Medicine, University of Peradeniya²)

P2 : Poster 2

Poster Exhibition — Mid-Sized Meeting Room II -ABC 16:00-16:30

Hospital

P2-1

The relationship between emergency medical staffs' training and the suicide-related cases acceptance of the emergency hospitals.

Satoshi Hashimoto

(National Hospital Organization Kumamoto Medical Centre, Department of Psychiatry¹,
National Hospital Organization Kumamoto Medical Centre, Department of Emergency and Critical Care Medicine²)

P2-2

Collaboration of emergency and psychiatry departments regarding intake and referral of persons who attempted suicide

Marc Roelands

(Vrije Universiteit Brussel (VUB))

P2-3

Suicide in general hospitals in Japan: a descriptive study

Keisuke Inoue

(Department of Neuropsychiatry, School of Medicine, Sapporo Medical University¹,
Department of Psychiatry, Yokohama City University School of Medicine²)

Intervention

P2-4

Nursing Care Provided to Patients with a History of Attempted Suicides by Nurses Who Work in Psychiatric Outpatient

Seitaro Teraoka

(Tokyo Medical University, Faculty of Medicine, School of Nursing)

P2-5

General Nurses' Intervention for Patients who have Attempted Suicide to Help Prevent Further Attempts

Masako Tai

(University of Kochi)

P2-6

Supports Provided by Psychiatric Nurses to Depression Patients with Suicidal Ideation in Japan

Takako Teraoka

(Kanagawa Institute of Technology, Faculty of Nursing)

P2-7

Internet-based self-help therapy for people at risk of suicide: a randomized trial

Charlotte Mühlmann

(Copenhagen Mental Health Center)

P2-8

Psycho-intervention for pregnant women with depression in rural China primary care setting

Xianbin Sun

(The 6th Hospital of Yinzhou District Ningbo China)

P2-9

Review of Suicide Prevention Programs: Massachusetts, United States, in Comparison with Seoul

Ji Hyun Baek

(Department of Psychiatry, Depression Center, Samsung Medical Center, Sungkyunkwan University School of Medicine¹, Bipolar Clinic and Research Program, Massachusetts General Hospital, Harvard Medical School²)

P2-10

Feasibility and preliminary effectiveness of a new suicide education program for social work students in Japan

Manami Kodaka

(National Institute of Mental Health, National Center of Neurology and Psychiatry¹, Japan Lutheran College²)

P2-11

Text messaging intervention to promote psychiatric outpatients' help seeking

Toyohiko Kodama

(Mie University School of Nursing)

P2-12

Suicide Prevention Program Accreditation

Hyoryun Ham

(Korea Suicide Prevention Center)

High-risk Group

P2-13

Suicide Risks and Mental Health Help-Seeking among People with LGBT and the General Public in Taiwan

Wu Chia-Yi

(School of Nursing, National Taiwan University College of Medicine¹,
Department of Nursing, National Taiwan University Hospital²)

Intervention

P2-14

The effectiveness of suicide prevention gatekeeper-training for university administrative staff in Japan

Naoki Hashimoto

(Department of Psychiatry, Hokkaido University Graduate School of Medicine¹, Hokkaido University Health Care Center²)

P2-15

The benefits of e-mail counseling for suicide prevention

Haruyoshi Yamamoto

(Yokohama Rosai Hospital)

Law and Ethics

P2-16

Investigating number of deaths by suicide identified during forensic autopsy using two novel systems for determining cause of death

Yoshihiro Watanabe

(Niigata University of Health and Welfare)

P2-17

Suicide prevention activities in collaboration with lawyers in Fukuoka Prefecture

Nobuaki Eto

(Fukuoka University Hospital, Department of Psychiatry)

P2-18

Current State of Cancer Notification to Schizophrenic Patients with Cancer

Harumi Arai

(Department of Nursing School of Nursing and Nutrition Tenshi College)

Life events

P2-19

Loss of sexual interest and premenstrual mood change in women with postpartum versus non-postpartum depression: A nationwide community sample of Korean adults

Ji Yeon Kim

(Department of Psychiatry, Depression Center, Samsung Medical Center, Sungkyunkwan University, School of Medicine)

Means of suicide

P2-20

Risk of developing suicidal drug overdose among patients with morbid obesity: A population-based cohort study

Chun-Hung Chang

(China Medical University)

P2-21

A suicide method exported from Japan: a statistical study of the spread of suicide by hydrogen sulfide gas

Tohru Takizawa

(Faculty of Health and Medical Care, Hachinohe Gakuin University)

Media

P2-22

Changes in online discourse of suicide and prevention after Robin Williams' death

Qijin Cheng

(The University of Hong Kong)

P2-23

Tweeting Celebrity Suicides: Users' Reaction to Prominent Suicide Deaths on Twitter

Tetsuya Matsubayashi

(Osaka University)

P2-24

The study on the third person effect of suicide prevention campaigns: Concentrating on aged 10-30

Hwikwan Jung

(Korea Suicide Prevention Center)

P2-25

Developing a Twitter crawler to collect suicide information

Yuta Okamoto

(Undergraduate School of Medicine, University of Tsukuba)

Misc.

P2-26

Suicide Prevention: A Review of Insights from Economics

Yasuyuki Sawada

(Yasuyuki Sawada)

P2-27

Socioeconomic position and attempted suicide: a cross sectional study of 165 000+ individuals in rural Sri Lanka

Duleeka Knipe

(School of Social and Community Medicine, University of Bristol¹⁾,
South Asian Clinical Toxicology Research Collaboration (SACTRC), Faculty of Medicine, University of Peradeniya²⁾)

P2-28

Suggestions for the necessary suicide prevention in Japan, based on knowledge about suicide prevention measures in the world

Ken Inoue

(Department of Public Health, Gunma University Graduate School of Medicine¹⁾,
The International Research Group on Suicide in Older Adults²⁾)

P2-29

Statistical report of relationship between suicide and poverty

Ken Inoue

(Department of Public Health, Gunma University Graduate School of Medicine)

P2-30

Willingness to pay for suicide prevention in Japan

Hajime Sueki

(Wako University)

P2-31

Decomposing Change in China's Suicide Rate, 1990-2010 : Aging and Urbanization

Sha Feng

(Department of Social Work & Social Administration, The University of Hong Kong)
