13th Congress of the World Federation of Nuclear Medicine and Biology

62nd Annual Scientific Meeting of the Japanese Society of Nuclear Medicine
42nd Annual Meeting of the Japanese Society of Nuclear Medicine Technology

Invitation to Sponsor

Dear Valued Corporate Partner/Sponsor,

Warm appreciation for your continued support and cooperation. I extend to you my sincerest gratitude for your honored contributions toward the enhancement and development of nuclear medicine.

I have humbly accepted the position of Chairperson for the 13th Congress of the World Federation of Nuclear Medicine and Biology (WFNMB 2022). This esteemed congress will be held at the Kyoto International Conference Center from Wednesday, September 7th to Sunday, September 11th, 2022. This is the second time the WFNMB will be held in Japan since the first congress in 1974.

The World Federation of Nuclear Medicine and Biology, or WFNMB, is an international society in the realm of nuclear medicine and is the cooperative organization for groups such as the Society of Nuclear Medicine and Molecular Imaging (SNMMI), the European Association of Nuclear Medicine (EANM), and for the Asia Oceania Congress of Nuclear Medicine and Biology (AOCNMB), which strive for the worldwide promotion and advancement of nuclear medicine.

Through the support of the International Atomic Energy Agency, a scientific congress has been held once every 4 years in various countries. Due to the size of the WFNMB, we anticipate a turnout of over 4000 attendees from around the world at the 2022 congress, including nuclear medical representatives and young researchers, for the sake of nuclear medicine education as well as academic and informational exchange.

While the participation fee is expected to cover the expenses required for holding WFNMB 2022, the only sources of income are subsidiary aid and the co-sponsored seminar fees. As this amount is quite limited, benevolent donations would be of great assistance. I sincerely hope that we can count on your esteemed support in advancing nuclear medical development on a worldwide scale.

Further information will be distributed soon. I thank you from the bottom of my heart for your generosity and understanding.

Yours Sincerely

Seigo Kimura

13th Congress of the World Federation of Nuclear Medicine and Biology

62nd Annual Scientific Meeting of the Japanese Society of Nuclear Medicine
42nd Annual Meeting of the Japanese Society of Nuclear Medicine Technology

The 13th Congress of the World Federation of Nuclear Medicine and Biology Sponsorship Opportunities

Symposium Purpose and Scope

The Japanese Society for Nuclear Medicine (JSNM), the sponsor society of this congress, is an academic organization with the purpose of promoting and developing nuclear medicine research. The society holds two annual academic meetings and seminars with the purpose of presenting findings and exchanging opinions.

The World Federation of Nuclear Medicine and Biology is an organization formed with the purpose of promoting and developing nuclear medicine research across the world and to facilitate exchange between researchers from various countries. Each country holds an academic meeting in rotation every 4 years, with the first of these academic meetings held in Japan. After about half a century, the 13th meeting will be held in Japan once more. It is hoped that this meeting will allow for not only the worldwide development of nuclear medicine research but also further development in Japan at a local level.

Audience

4,000 participants

Doctor, Radiological technologists, Nurse, researcher are expected (Domestic: 2,500/International: 1,500)

13th Congress of the World Federation of Nuclear Medicine and Biology

62nd Annual Scientific Meeting of the Japanese Society of Nuclear Medicine
42nd Annual Meeting of the Japanese Society of Nuclear Medicine Technology

Outline of the Symposium

1. Name of Symposium

The 13th Congress of the World Federation of Nuclear Medicine and Biology
(Abbreviation: WFNMB2022)

2. Organizer

Organized and hosted by Japanese Society of Nuclear Medicine (JSNM)

3. Dates

- (1) Wednesday, September 7th – Sunday, September 11th, 2022 [5 days]
- (2) Monday, September 12th – Monday, September 13th, 2022 [2 days]

4. Venue

- (1) Kyoto International Conference Center (Takaragaike, Sakyo-ku, Kyoto, 606-0001, Japan)
- (2) Kanazawa Art Hall (2-15-1 Honmachi, Kanazawashi, Ishikawa, 920-0853, Japan)

5. Anticipated Number of Participants

4,000 participants (Domestic: 2,500/International: 1,500)

6. Symposium Purpose and Scope

7. About the Program

1) Program (tentative)

Opening Ceremony, Plenary Lectures, Plenary Sessions, Symposia, Guideline session, Sponsored Seminars/Symposia, Joint Symposium, Free Papers - Oral & Poster Sessions, Public Forum etc.

2) Official Language

English

Proposed Schedule

2022	7-Sep	8-Sep	9-Sep	10-Sep	11-Sep	12-Sep

Sponsored Seminar Prospectus

1. Sponsored Seminar Overview

- I) Name: WFNMB2022 Sponsored Seminar
* Joint session with WFNMB2022 and your company
- II) Dates: 7-11 September 2022
- III) Duration: 60 min.
- IV) Location: Kyoto International Conference Center (ICCK)
Takaragaike, Sakyo-ku, Kyoto-shi, 606-0001
URL: <http://www.icckyo.or.jp/visitor/access/>
- V) Language: English
- VI) Type: Luncheon Seminar, Morning Seminar, Evening Seminar

2. Sponsored Symposium Overview

- I) Name: WFNMB2022 Sponsored Symposium
* Joint session with WFNMB2022 and your company
- II) Dates: 7-11 September 2022
- III) Duration: 90-120 min.
- IV) Location: Kyoto International Conference Center (ICCK)
Takaragaike, Sakyo-ku, Kyoto-shi, 606-0001
URL: <http://www.icckyo.or.jp/visitor/access/>
- V) Language: English

3. Program Contents

Program contents, speakers, moderators, date and venue will be determined after hearing proposals from each sponsoring company. Final decisions to be made by the organizing committee.

4. Sponsorship Fee

Please refer to the list of sponsorship fees for this Seminars on page 10-12.

The fee includes following items:

- Venue fee, use of Anteroom (3 hours)
- AV Equipment for Seminar Room
- PA and lighting equipment for the Seminar Room
- Personnel fees for operation staff

(In the case of presentation within the venue, presentation slide progression will be operated by the speaker themselves)

The following items are not included in the sponsorship fee:

- Food & Beverages including those for the audience, speaker(s) or moderator(s)
- Personnel fees for the emcee, time keeper, receptionists, ushers in the seminar room, etc.

13th Congress of the World Federation of Nuclear Medicine and Biology

62nd Annual Scientific Meeting of the Japanese Society of Nuclear Medicine
42nd Annual Meeting of the Japanese Society of Nuclear Medicine Technology

- Signboard(s) including the seminar room signboard, name boards for speakers/moderators, seminar leaflets, etc.
- Honorarium/travel/accommodations for speaker(s) and moderator(s)
- Additional equipment including simultaneous interpretation equipment, recording, equipment in the anteroom, etc.
- Management fee for additional services (15% of additional costs)

The above items are optional. Any additional options will be invoiced by the office of the sponsor secretariat, Convention Linkage, Inc., after the symposium.

More details will be announced in the Seminar Manual in due course.

5. Invitation to Speakers/Chairs

After the seminar contents are finalized, invitations are to be sent to speakers and chairs by the secretariat.

6. Printed Materials

- 1) Information in the program book and mobile app:
 - Session Objectives from chair(s) as well as abstract(s) of the speaker(s) will be included in the abstract book and the WFNMB2022 mobile app.
- 2) Optional Seminar Leaflet (All expenses to be covered by sponsors)
 - Size: A4 size or smaller
 - Quantity: at the sponsor's discretion
 - Design to be confirmed by the organizer before printing.
 - Please submit the final drafts of any printed materials to the sponsor secretariat before proceeding with printing.
 - Logo on leaflet: WFNMB2022 logo to be printed on leaflets
 - Logo files will be provided by the sponsor secretariat
- 3) Optional Signboard (All expenses to be covered by sponsors)
 - Design template is to be decided by the organizer

7. Simultaneous Interpretation

- 1) Interpreters: Sponsors may provide their own interpreters or place an order through the sponsor secretariat to arrange for interpreter dispatch
- 2) Simultaneous Interpretation Equipment: orders may be placed through the sponsor secretariat. All costs are to be covered by the sponsoring company.

8. Recording:

- 1) Video recording: Sponsors may bring their own equipment, or place an order through the sponsor secretariat.

For the preparation purposes, please notify the secretariat whether or not recording need be arranged. Special application procedures may be required depending on needs.

13th Congress of the World Federation of Nuclear Medicine and Biology

62nd Annual Scientific Meeting of the Japanese Society of Nuclear Medicine
42nd Annual Meeting of the Japanese Society of Nuclear Medicine Technology

2) Recording Equipment: recording stage, audio lines, and electricity can be arranged at additional cost

9. Others:

1) Disclosure of sponsorship fees on the company website

For the accountability and transparency of pharmaceutical companies and The Japan Federation of Medical Devices Associations in regards to the activities related to the medical affairs, the organizing committee agrees to disclose the sponsorship fee on the company website (i.e. XXXX JPY for YYYY seminars at ZZZZ symposium)

* All prices are excluding tax.

13th Congress of the World Federation of Nuclear Medicine and Biology

62nd Annual Scientific Meeting of the Japanese Society of Nuclear Medicine
42nd Annual Meeting of the Japanese Society of Nuclear Medicine Technology

Items Included in Exhibition Costs

-Costs related to on-site set up/dismantling as well as management of the exhibition spaces during the WFNMB2022

- * Additional charges will incur if the the company logo will be displayed on the signboard.
- * Costs for electricity work, electricity charge, cleaning cost and rubbish disposals will be extra.

Allocation of Booth

- (1) Allocation of booths will be determined by the organiser taking into consideration items to be exhibited, the number of booths/spaces purchased, and activities inside of the booth (i.e. hands-on activities) after the application period closes. Exhibitors will not have any influence in choosing the location of the booth.
- (2) Exhibitors are not allowed to change their booth locations with other exhibitors, or provide part of their booth to other exhibitors without consensus of the organiser.

6) Exhibitors from Overseas

This exhibition is not a customs bonded exhibition. Items exhibited from overseas can be handled as a domestic cargo or use the ATI Carne system. Please contact the Sponsor Secretariat for more information.

7) Exhibitor Briefing

There will be no exhibitor briefing prior to the exhibition. Details of booth allocation, instructions for decoration, and loading will be announced approx. 2 months before the exhibition. Other available rental equipment will also be announced at this time.

8) Venue Management

The secretariat and the organiser are responsible for the highest quality protection, management, and preservation of the venue and exhibits. The secretariat and organizer assume no responsibility for accidents caused by natural disasters and other force majeure, theft, loss, and incidence of human-related accidents or mishaps within the exhibition or booths.

9) Other

Exhibitors are not permitted to attend the Scientific program. Those exhibitors who wish to attend the Scientific program are requested to register through the standard registration process. However, exhibitors will not be restricted from entering the exhibition hall.
